To enter the Contest, the Applicant must comment on the Contest post on the Facebook profile of Unilabs Alpha medical with the answer to the Organiser's Contest question from the post on the online platforms, according to Article II of these Contest Rules. Each Applicant may participate in the Contest only once by answering the quiz question on the Organiser's Contest post. Persons who do not meet the conditions for participation in the Contest and/or who act in breach of the Contest Rules will not be entered into the Contest. If it turns out a non-eligible person became a participant and/or winner of the contest, despite the aforesaid (e.g., after providing false information), he/she may be excluded (eliminated) from the contest and is not entitled to a prize that will be forfeited to the Organiser without any compensation. The Organiser further reserves the right to exclude the participant

This decision, adopted by the Organiser, is final and cannot be appealed.

In the event of proper participation in the Contest and fulfilment of all the conditions of the Contest specified in these Contest Rules, the participants can win the prize in the Contest. After the contest, the Organiser will publish the names of three winners along with a comment in the Contest.

IV. Drawing of Contest Winners and Contest Prizes

Each participant will be included in the Contest prize draw. A total of three (3) winners will be drawn from the total number of participants duly participating in the Contest. The prize draw is a random selection taking place on December 13, 2022 (hereinafter: '**Prize Draw**'). The Contest Organiser is in charge of the Prize Draw.

The prize in the Contest is: 1x Santa Claus package.

Three (3) alternates will also be drawn at random during the Prize Draw in the event that the prize is not awarded to any winner (both for reasons on the part of the winner - e.g., the prize is refused, the winner cannot be contacted, and for reasons on the part of the Organiser - e.g., the Organiser disqualifies the winner from the Contest due to the winner's failure to comply with the terms and conditions of the Contest, or due to the winner's actions in violation of the Contest Rules). Alternate prize winners will be selected (drawn) in a fixed order (first, second, and third alternate winners), and this order will be respected (from the first to the third alternate) should they replace the winner to whom the prize has not been handed over.

V. Prize Notification and Awarding of Contest Prizes

Each winner will be notified about the prize won in the Contest without undue delay, no later than 14 days after the Prize Draw, by a private Facebook message sent by the Organiser. As part of the notification to the winner of the prize in the Contest, the winner is also invited to confirm his/her interest in claiming the prize in the Contest and, if applicable, to complete the personal data necessary to hand over and claim the prize (e-mail, telephone contact, or address) and to negotiate the specific terms and conditions for delivery, acceptance, and use of the prize. The winner must confirm his/her interest in receiving the prize via a private message or e-mail sent and delivered to the Organiser's e-mail address included in the aforesaid notification, no later than three (3) calendar days from the date of notification, pursuant to the first sentence of this point. The prize will be awarded to the winner and used under the conditions separately agreed upon by the Customer and the winner. The winner is not entitled to submit to the Organiser any claim except for the prize.

In the event that the prize is not awarded to the winner under the agreed terms and conditions, the winner's right to obtain and receive the prize shall expire in its entirety without any right to compensation. There is no legal entitlement to win the Contest. Neither participation, nor winning the Contest can be enforced by a court proceeding. Alternative monetary reimbursement (consideration) or other non-financial compensation cannot be claimed.

Participants shall not be entitled to any reimbursement under and/or in connection with this Contest other than rights expressly dictated by these Contest Rules, and such reimbursement is preconditioned on the fulfilment of all the conditions provided therefor in these Contest Rules. The winner shall not be entitled to claim any further reimbursement apart from the prize explicitly stated in these Contest Rules.

The Organiser reserves the right to change or amend the Contest Rules at any time throughout the Contest, as well as the right to extend, shorten, postpone, suspend, or completely cancel the Contest, even without giving any reason or granting any compensation. Should the Contest Rules change, such changes will be made by an amendment to the Contest Rules and will be published on the Customer's website www.unilabs.sk. The changes enter into force upon their publication, according to the previous sentence, unless a later effective date is explicitly indicated.

The Organiser is not responsible for any technical problems related to the Contest, especially problems with the Facebook page, problems on the side of carriers, telephone operators, or other entities. By taking part in the Contest, and in accordance with Act 18/2018 Coll. on the Personal Data Protection, as amended (hereinafter: '**Personal Data Protection Act**'), the participant grants the Organiser the consent to process his/her personal data to the extent they were provided by the participant (especially the name, surname, permanent residence (city), e-mail address, and telephone number) to the Organiser as the personal data controller under the Personal Data Protection Act, in order to ensure the organisation and evaluation of the Contest, to verify the validity of the participation in the Contest, to inform about the course and results of the Contest (e.g., when the winner is announced), and possible awarding of the Contest prize, and to regulate the binding legal relationship between the participant and the Organiser. The participant grants its consent to provide its personal data for the above purpose until the information on the results of the Contest is received; or

until the handover of the prize, but no later than 1 month from the end of the Contest. The consent to the personal data processing under the Contest Rules granted by the participant is voluntary and shall not condition the provision of other services by the Organiser (e.g., the sale of other services). Subject to the legally imposed requirements, the data subject has (i) the right to access his/her personal data; (ii) the right to correct inaccurate personal data; (iii) the right to restrict the processing of personal data; (iv) the right to object to the processing of personal data for direct marketing purposes; (v) the right to delete personal data, in particular, if they are no longer necessary for the purposes for which they were collected or otherwise processed; or if the data subject has withdrawn consent for personal data processing; or if the legal basis for data processing ceased to exist; or if the personal data were processed unlawfully; and (vi) the right to data transfer.

Detailed information on the processing and protection of personal data is published on Organiser's website: <https://www.unilabs.sk/ochrana-udajov> (hereinafter: '*Privacy Policy*'). The participant has the right to access his/her personal data, to correct them, and to withdraw his/her consent in a written request sent to the correspondence address of the Organiser, i.e., the data controller. The participant is entitled to request the Organiser to remove the defective condition if the participant believes that the Organiser is processing personal data in violation of the law or other generally binding legal regulations in force in the Slovak Republic. The withdrawal of consent does not affect the lawfulness of data processing based on the consent granted prior to its withdrawal. The personal data of the participants will be deleted within 1 month after the contest ends and prizes are awarded, unless special legal regulations dictate the obligation to keep such data longer.

VII. Final Provisions

Complete and effective Contest Rules are available at www.unilabs.sk throughout the Contest. By participating in the Contest, the participant fully and unconditionally consents to the Contest Rules and undertakes to fully comply with them. At the same time, each participant confirms that he/she has been informed that Facebook has not undertaken any obligations towards the participants, and that no obligations arise for Facebook based on their participation in the Contest.

Should there be any dispute related to the contest, the Organiser reserves the right to adopt the final decisions at its sole discretion.
